Located in the historic town of Buckley, Elfed High School provides excellent opportunities for lifelong learning for the whole community.

We are proud of the high academic standards and extracurricular achievements of our 850 students, aged 11 to 18 years. Elfed students are valued as individuals and they are fully supported to achieve their true potential.

Out of school hours, there is a warm welcome to a range of activities, including music, cinema, theatre and the arts, sports, information technology and key skills.
