Year 7

Dear Parent / Carer,

All students have had recent assessments and are meeting their mentors to discuss their attitude grades and predicted grades for each subject. We will send you the full report on your child's progress this year on Friday 20th June 2014.

I congratulate students who are meeting their targets and making excellent progress in all subjects, da iawn. Students in Year 7 have achieved a very high number of A and B grades for their attitude in the recent assessments. This demonstrates the students' positive approach to learning and desire to "be the best that they can be".

The recent Vivo reward trip to Manley Mere involved lots of fun and mud! This fantastic trip rewarded the school's highest Vivo earners for the past months. We encourage students to keep up their excellent effort because there is still one more reward trip this year. Please remember to log onto the VIVO website to track your child's progress every week. www.vivomiles.com.

We are looking forward to Skills Week; Monday 23rd June to Friday 27th June. Thank you for your support in returning the paperwork and contributions to the cost.

We provide students with computer access and additional support at our Study Club from 8.30am – 8.50am and 3.30pm to 4.00pm every day. All students are welcome to attend.

We would also like to remind you about the importance of homework. We run Homework Club exclusively for Year 7. If you would like your child to attend, please get in touch with me.

Wellbeing Updates for Week 21 to Week 30 have also been sent out to you. Please return the reply slip as soon as possible. I encourage you to support your son / daughter to achieve above our minimum target of 95% attendance. Every lesson counts at Elfed High School!

You are invited to the 60th Anniversary Summer Concert on 10th July at 7.00pm. Tickets are on sale from the school office at £3.00 each. You can keep up to date with our news on the Elfed High School website www.elfedhs.co.uk and follow us on Twitter @elfedhs.

I am pleased that we are working together and that the students are getting the right motivation to do their best. Please contact me on 01244 550217 if there is anything we can do to help your child.

Yours faithfully

Mr B Lewis Jones
Acting Head of Learning Year 7 and Transition
