

'I want to give something back to Elfed High School,
the school that has given me so much.'

Senior Student

School Council representatives have met to select the Senior Students for 2014 to 2015. The candidates spoke very eloquently about their vision for listening to learners and supporting the school and community.

The new Senior Students are already busy, welcoming visitors to the school and helping.

Year 9

Smooth Move to Elfed High School

Smooth Move activities with primary pupils and their families have boosted confidence and given a taste of the exciting learning opportunities that lie ahead in Year 7.

Year 5 enjoyed orienteering and making new friends. Year 6 pupils have benefitted from taster sessions to find out about learning at Elfed. Parents and pupils also enjoyed the Smooth Move parent project in May and June.

Elfed Youth Theatre

Elfed Youth Theatre group put on a brilliant performance at the 60th Summer Concert. Once again they performed an original script, devised by the students and their teachers. They enjoyed developing their skills and entertaining their audience.

Science students' **masterclass**

High achieving students enjoyed an opportunity to extend their understanding of science during the 'Project of Three' programme. The activities were provided by Techniquest, working with the Alun School in Mold. This experience will be an advantage for the students as they prepare for further education and the world of work.

Outstanding Learning Community

Pob lwc! Good luck to all our Year 11 and Year 13 students. Thank you for your support for learning at Elfed High School.

Congratulations to the Year 7 Athletics team who won 7 medals in the 2014 Flintshire Championships.
