Year 7

Dear Parents and Carers,

It has been an outstanding start for all of Year 7 students at Elfed High School. Students have settled well into the new surroundings and have been making very positive progress in lessons. Well done to all.

Many students are taking advantage of the large number of lunchtime and after school activities on offer. Information is posted on the website about the various clubs and sporting opportunities as part of the Elfed Extra section.

Computer access and additional support are available at Study Club from 8.30am to 8.50am and 3.30pm to 4.00pm every day in the Library. All students are also welcome to attend "Get Started" Club in the Dining Room 8.15am to 8.45am.

All students have an important role to play in the development of our school through the Leading Learner groups. We encourage students to have their say and to get involved. I am looking forward to working with the students to support fund raising events for their chosen charity, which will take place in November. There will be lots of exciting information coming up over the next few weeks.

I am particularly impressed at the number of Vivo points that have been awarded to Year 7 students. Keep up the hard work! May I remind you to log onto the Vivo website to track your child's progress every week. [www.vivomiles.com](http://www.vivomiles.com) Please let me know if you have forgotten your log in details.

Please support us to ensure that your son / daughter achieves above our minimum target of 95% attendance. Every lesson counts at Elfed High School!

There is plenty more information about events and achievements on Elfed High School's website, [www.elfedhs.co.uk](http://www.elfedhs.co.uk) and you can also follow us on Twitter@ elfedhs.

Please contact me at the school to discuss any issues you may have regarding your son / daughter's learning, I will be happy to help wherever possible.

Yours faithfully,

Miss R Bethell  
Assistant Headteacher
